MEMORANDUM FOR: Executive Director-Comptroller

THROUGH : Director, Planning, Programming and Budgeting

SUBJECT : Extension of Statutory Fringe Benefits to Certain  
Contract Employees

1. This memorandum contains a recommendation for your approval; such recommendation is contained in paragraph 5.

2. The attached study, with which you are familiar, has now been completed and submitted for my approval. I consider it an important forward step in Agency support programs, something we have long needed, and I know you agree that Agency U.S. contract employees deserve these equal benefits and protection.

3. Prior to releasing the letter to the Director of the Bureau of Retirement and Insurance, I believe we must decide whether or not we can afford it since approval by the Civil Service Commission would place us in a vulnerable position with regard to an employee who may insist that he receive the benefits.

4. You will note from the attached breakdown that it could cost the Agency \$270,000 in 1967, distributed approximately as follows:

DCI	\$ 1,200
DDI	6,000
DDS&T	14,000
DD/S	23,000
DD/P	<u>225,800</u>
Total	\$ 270,000

In FY 1968, its first full year, it would cost approximately \$536,000 distributed proportionately the same.

5. I recommend that you approve our proceeding with the program with the understanding that it will be financed out of Agency savings to be identified by the Office of Planning, Programming and Budgeting at a subsequent date.
